## Treatments & Prices

### Payot Facials

#### **Les Essentiel Facials** – 45 mins.....£37

Flash Hydratant and Flash Nettoyant. These two deep cleansing facials are ideal for rehydrating and nourishing or detoxing and brightening the skin.

#### **Eclat Essentiel Facial** – 60 mins ..... £47

Using 'My Payot' products, this invigorating superfruits facial helps to revive a lifeless and dull complexion which will plump and enervise your skin.

#### **Liss Absolu** – 75 mins.....£60

Using the revolutionary Blue Techni Liss products that help protect your skin from the blue light omitted from computer screens, this facial helps combat the first signs of ageing by delaying the appearance of fine lines and wrinkles with a professional AHA peeling, rebalancing and repairing mask. Your features are relaxed and your skin is smoother, radiant and luminous.

#### **La Supreme Experience** – 75 mins .....£72

This ultimate facial helps to prevent the signs of ageing and loss of radiance. You are treated to two specialized treatment masques to help smooth, plump and rehydrate the skin. Fine lines and wrinkles are visibly reduced, facial contours are firmed and the skin is left looking radiant.

#### **Diamond Tip Microdermabrasion** – 60 mins ..... £48

This facial is a non-invasive form of deep exfoliation, using diamond tipped heads to gently but effectively remove the top layers of the skin, helping to smooth and soften dry and dehydrated skin, acne scarring, surface lines and other skin irregularities and blemishes. I then complete the facial with a relaxing massage, a hydrating and soothing mask and then the appropriate moisturiser for your skin. The perfect facial to replenish and revitalize your skin.
